ABOUT THE CONFERENCE

The 4th Edition of the International Conference on Petroleum, Hydrogen, and Decarbonisation, organised by Pandit Deendayal Energy University, aims to bring together academicians, researchers, industry experts, policymakers, and energy professionals to exchange insights on advances, challenges, and opportunities in petroleum, hydrogen, and decarbonisation. The conference will serve as a platform to explore innovative technologies, address sustainability challenges, and foster collaborations towards a cleaner, low-carbon, and sustainable energy future. The previous editions, hosted at IIT Guwahati, IIT (ISM) Dhanbad, and RGIPT Jais, have catalysed meaningful discussions on India's energy security within the broader global energy landscape. Building upon this legacy, the 4th Edition aims to further strengthen interdisciplinary dialogue, foster strategic collaborations, and accelerate knowledge exchange among key stakeholders to address emerging challenges and opportunities in the evolving global energy mix.

HIGHLIGHTS OF THE CONFERENCE

CONFERENCE THEMES

- Improved or Enhanced Oil Recovery (IOR/EOR)
- Carbon Capture, Utilization, Storage & Removal Technologies
- Digitalization and Optimization of Oil & Gas Field Operations
- Unconventional Energy Resources
- Efficient Drilling and Completion Technologies
- Hydrogen: Productions, Storage, Transportation and Utilization
- Petroleum Production Operations
- Decarbonisation and Global Sustainability
- Geophysics and Geotechnical Engineering
- Health, Safety, Environment (HSE) and Social Responsibility
- Petroleum Geoscience
- Project Management, Economics & Contracting
- Reservoir Enginnering and Technologies
- Energy Integration and Transition
- Refining and Petrochemicals
- Alternative Fuels for Sustainable Future

ABOUT THE UNIVERSITY & SCHOOL

Pandit Deendayal Energy University (PDEU), established in Gujarat in 2007, offers diverse programs in engineering, management, and humanities, emphasizing academic excellence, research, and innovation. Its NAAC A++ accreditation reflects its commitment to quality education and global exposure. The School of Energy Technology (SoET), originally established as the School of Petroleum Technology in 2007, prepares future energy professionals through undergraduate, postgraduate, and doctoral programs in various energy disciplines. In collaboration with government and industry, the school promotes research in solar energy, green hydrogen, carbon capture, energy storage, and sustainable technologies. Its facilities include a 1.7 MW grid-connected solar farm, a 45 MW solar PV panel assembly line, and specialized research centers supporting advanced energy innovation.

DEPARTMENT OF PETROLEUM ENGINEERING

The Department of Petroleum Engineering promotes quality education, research, and innovation through advanced laboratories, industry collaborations, and practical training in exploration, drilling, production, and reservoir engineering.

DEPARTMENT OF CHEMICAL ENGINEERING

The Department of Chemical Engineering integrates chemistry, physics, mathematics, and life sciences to transform raw materials into valuable products. It covers diverse fields, including biotechnology, nanotechnology, pharmaceuticals, mineral processing, and petroleum refining.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry emphasizes quality education and research in chemistry and allied fields. Supported by experienced faculty from reputed national and international institutions, the department offers advanced research laboratories and modern instrumentation facilities.

IMPORTANT DATES

Abstract Submission Deadline	16th November, 2026
Acceptance Notification	18th November, 2026
Regular Registration Deadline	25th November, 2026
Conference dates	11th - 13th December, 2026

- **Authors are requested to submit their abstracts in the given format.**
- **Title: Times New Roman; 14 Font, Bold**
- **Author: Times New Roman; 12 Font, Bold**
- **Affiliations: Times New Roman; 11 Font, Bold, Italic**
- **Abstract: Times New Roman; 12 Font, 300 – 400 words**
- **Keywords: Times New Roman; 11 Font, Italic, 3-5 Number of keywords**
- **Paragraph: 1.5 spacing**
- **Margin: Normal**
- **Format: MS Word- compatible file**
